## Internship Support Program (ISP)

### About Central European University (CEU):

CEU is committed to promoting the values of open society and self-reflective critical thinking. It aims at excellence in the mastery of established knowledge; courage to pursue the creation of new knowledge in the humanities, the social sciences, law and management; and engagement in promoting applications for each, in particular through their policy implications. CEU is a new model for international education, a center for study of contemporary economic, social and political challenges, and a source of support for building open and democratic societies that respect human rights and human dignity. - from CEU's mission
