

CEU Career Services Office

AY2021-22 Year in Review

CEU's Career Services Office (CSO) contributes to institutional efforts to ensure that the university's graduates are prepared to transform their CEU experience into meaningful professional engagement. Students and alumni engaged with CSO at high rates this academic year, taking advantage of a growing number of opportunities such as employer events, career skills sessions, career panels, CEU-specific internships, and personalized advising sessions.

What are students and alumni saying about CSO?

"Working with the CSO is easy and fruitful. The staff is competent and ready to support your career development according to your needs and aspirations."

Career Skills Sessions

Satisfaction: 4.60/5.00

"Having a session tailored for our program and such early and proactive communication from Career Services is awesome, because it makes me feel like I have a real partner going forward when I need it."

"The session was structured and organized. The facilitator justified every point and provided examples to illustrate it."

Career Panels

Satisfaction: 4.58/5.00

"I simply find hearing from and talking to alumni to be the most enjoyable and constructive way to reflect on and come up with my career plans and choices. The format with Q&A at the end was great, too."

"Super honest and direct answers from the panelists, great questions from the host + fellow audience members!"

Employer Events

Satisfaction: 4.65/5.00

"I had a chance to speak to the people working there. They seem nice, approachable, like a community I would enjoy working for."

"I appreciated the detailed slides with the different jobs available at the organization, and the fact that a current intern was present and sharing her experience."

Career Consultations

Satisfaction: 4.83/5.00

"Very personal and helpful! My advisor gave me great resources and advice, and I felt that she understood my interests and situation right away. I recommended it to my peers, and I am looking forward to meeting again."

"My advisor gave me real, hands-on advice that proved to be really helpful. Thanks to her tips I got an amazing internship."

"I think all aspects of the Career Services Office have been incredibly helpful. The early consultation I had with my advisor helped me to focus not only my career goals but also delineate the steps I needed to take towards achieving them. The events were useful both in practical and psychological ways. The workshops on CV writing and cover letter helped me to draft stronger applications and the events with alumni and organizations were often insightful, inspiring and allowed me to land a great internship this summer."
